

Day # _____ - Day of the Week: _____ - Date: _____

My Gratitude Journal entry from 7/2/2018 to guide your 2nd entry

- 1.) My Queen for the cooking, cleaning and working. I am unemployed, handicapped, and can't do it so she does. Wow. And she looks GREAT too which motivates me to keep trying.
- 2.) My parents for raising me right and giving me the tools to succeed despite my illnesses and disadvantages.
- 3.) Grateful I found this quote, "A bad attitude is like a flat tire. You can't go anywhere until you fix it." This is gonna be my Attitude for the whole day.

Your turn to write three Gratitudes and why.
